

ID 00

GROUND CONTROL POINT — Branch B (track mapping)

DICT_4X4_50 | nominal side 150.0 mm (outer edge of black square)

100.0 mm

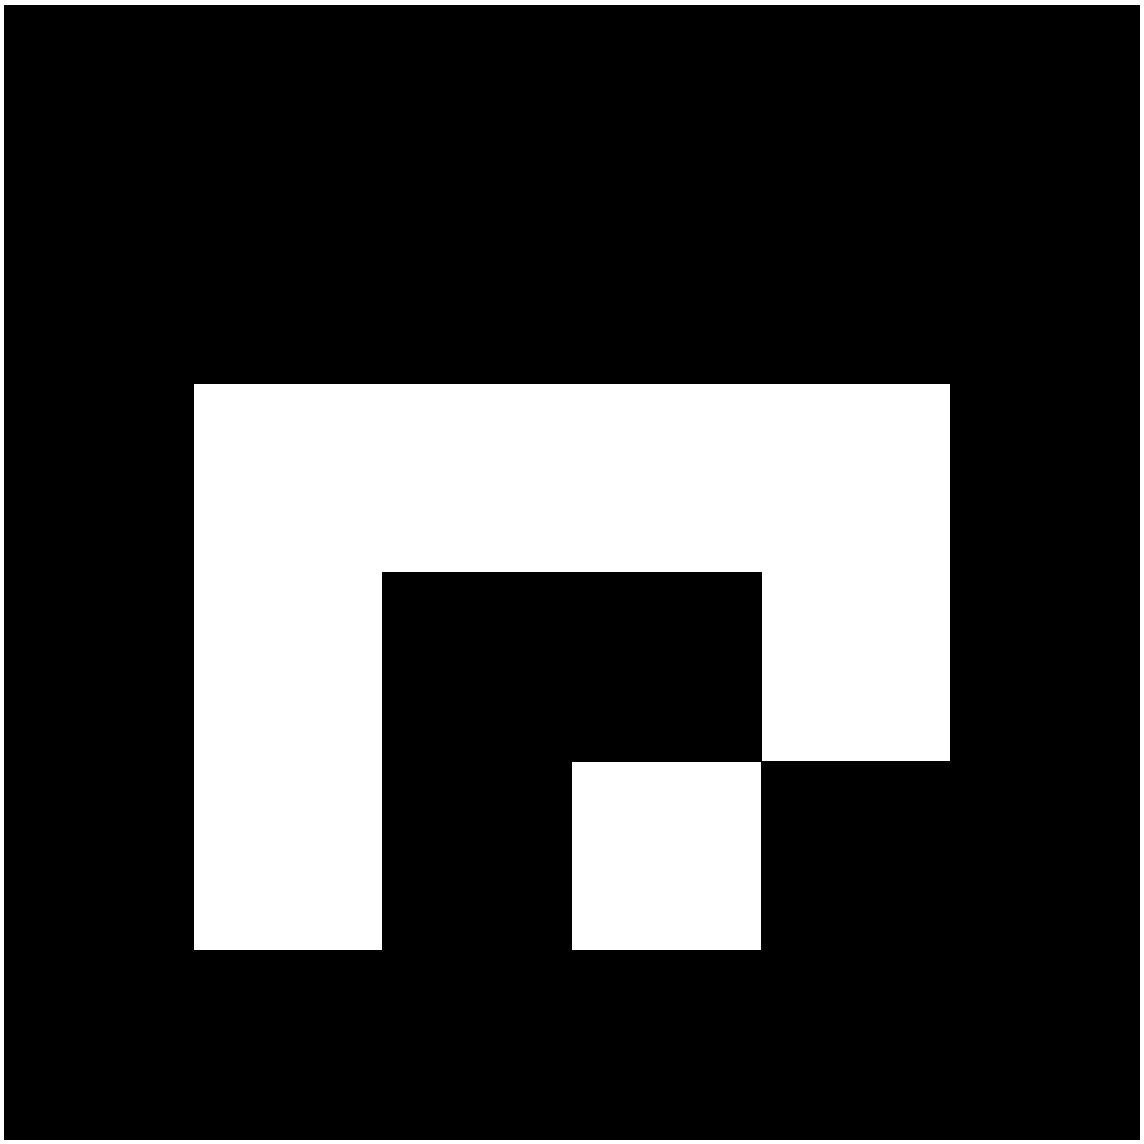

SCALE CHECK — measure the bar above. If it is not 100.0 mm the sheet printed at the wrong scale; reprint at 100%.

Glue flat to rigid board. A curled sheet biases the corner positions and the scale with it.
Matte only — no gloss lamination. Specular highlights under hall lighting kill detection.
Position is measured to the CENTRE of the black square, in the track's local frame.

Measured side (mm): _____ Date placed: _____

X (m): _____ Y (m): _____

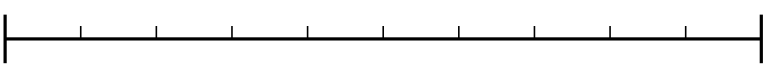

Z above floor (m): _____
